THE ACC EAGLE

THE STUDENT NEWS AND INFORMATION BULLETIN OF COMMUNITY COLLEGE

SPECIAL EDITION

ROGER DICKERSON:

ROGER DICKERSON, New Orleans composer and musician, is ACC's Fall term artist-in-residence. A guest of the College from September 26 through September 28, **MR. DICKERSON** will be available to the college community in a number of formats and a variety of times. **WE WELCOME HIM** and offer him the hospitality peculiar to those who deepen our spirit and gladden our lives.

ROGER DICKERSON'S latest composition was the subject of an hour long documentary which played Austin's Channel 9 this summer. It is the portrait of a special artist who melds diverse and seemingly discordant themes and musical frames into an attractive, harmonic whole. The documentary is an insight into the development of **ROGER DICKERSON** as that artist and an exposition of his artistry in **THE NEW ORLEANS CONCERTO**.

Our guest has roots in the famous sounds of New Orleans parades, clubs, street life, funerals, and music halls. Part of his uniqueness stems from his cross-fertilization of these jazz sounds with classical elements.

ROGER DICKERSON has the good habit of visiting college campuses. His goodness permeates the atmosphere. He is a professional who communicates intelligence embedded in spirit. It is our good fortune to be his hosts. It is our opportunity to benefit from his presence.
